Please join us in  
**Celebrating the 10th Anniversary**  
of the Holiday Light Exchange!

## How does it work?

You bring us two sets of old holiday lights. We give you one new strand of LED lights in return.

Find a light exchange in a community near you by visiting:

Enter our #NSLightXchange contest for a chance to win even more LED lights.

Have a great photo of one of your family's past holiday trees? Upload it on our Facebook page and you'll be automatically entered to win a set of lights.
